

The strength of any community is directly tied to the strength of its families. At Bridgehaven, family is at the heart of everything we do. Every day, we work to equip and encourage parents to become who God designed them to be, creating a positive impact that reaches far beyond the individuals we serve.

Bridgehaven's mission of "empowering choices for life through Christ-centered education and support" is something I care deeply about. We have the opportunity to walk alongside families during some of the most important moments of their lives, offering hope, encouragement, and practical support when they need it most.

Right now, Bridgehaven has an incredible opportunity to grow that impact. Through God's provision, we recently purchased the building we had been renting for years. We were bursting at the seams, and the remodel and expansion beginning this fall will give us the space we need to grow our programs, increase our services, and serve even more families.

As a local business, you have an important role to play in making this vision possible. By partnering with Bridgehaven, you aren't simply making a charitable gift. You are investing in families – the backbone of our community – and helping create a stronger future for generations to come.

In a world that often feels divided, uncertain, and lacking hope, Bridgehaven is a beacon of light and life. We've served our community since 1983, and I believe the work we do is just as important today as it was then.

I invite you to join us in this mission by becoming a Bridgehaven business partner. Your investment will help expand our reach, create more opportunities to serve moms, dads, and families, and make a lasting difference in the lives of those we serve.

Together, we can strengthen families and, in turn, strengthen our community.

In gratitude,

John Hammar, Board President

Bridgehaven provided services to hundreds of women, men, and families in 2025 alone, and your support plays a crucial role in the hope and help we offer.

From educational programs and material support, to emotional and spiritual guidance, your generosity helps us offer life-changing resources, compassionate care, and practical assistance to those navigating some of the most vulnerable moments of their lives.

Better Together: Built For Fatherhood

Bridgehaven believes stronger fathers make for stronger families, and therefore stronger communities. Our **Fatherhood Connect** program provides support, education, and community for dads at every stage of their fatherhood journey. In 2026, the men in our program came together for our first “Built For Fatherhood” event. Fittingly, the group spent the evening building new changing tables and forging friendships that we hope will last for years. Our ability to introduce and sustain new programs like Fatherhood Connect is possible because of generous partners like you.

SPONSORSHIP LEVELS
